## PROFESSIONAL SUMMARY

Strategic Project Professional with a PRINCE2 qualification and an MSc in Engineering Management. Expert at bridging technical engineering rigour with stakeholder communication, supported by research identifying an 81% professional consensus on the productivity potential of integrating AI-driven predictive analytics within technical governance. Proven track record of maintaining a 95% on-time delivery rate while bridging technical engineering rigour with C-suite strategic alignment and benefits realisation.

---

## EDUCATION

**Master of Science in Engineering Management (MSc)** | Anglia Ruskin University | Chelmsford, UK

January 2023 - June 2024

- **Dissertation:** AI in Stakeholder Communication. Conducted primary research where 81% of surveyed professionals identified significant productivity potential through the integration of AI-driven predictive analytics within technical governance frameworks.
- **Grade:** 2:1

**Bachelor of Technology in Mechanical Engineering (BEng)** | PRIST University | Thanjavur, India

July 2014 - June 2018

- Degree awarded: December 2021. Core focus on Industrial Engineering and Production Systems.
  - **Grade:** 6.68 CGPA
- 

## KEY SKILLS & TOOLS

- **Operational Analytics:** Expert in Power BI, Advanced Excel (Data Modelling), and SQL (Foundational).
  - **Operational Excellence:** Lean principles, Waste Reduction (15% achieved), and Workflow Optimisation.
  - **Project Leadership:** PRINCE2 Practitioner (Ongoing), RAID Management, and Lifecycle Governance.
  - **Stakeholder Engagement:** Experienced in translating technical data for non-technical senior management.
- 

## VIRTUAL EXPERIENCE

**Siemens Mobility Project Manager Job Simulation on Forage**

February 2026

- Completed a job simulation involving comprehensive project management for Siemens Mobility, focusing on KPI development and dashboard management.
  - Developed and applied analytical skills to establish strategic key performance indicators (KPIs), enhancing the monitoring of rail infrastructure projects and ensuring alignment with Siemens Mobility's goals.
  - Utilised Microsoft Excel and data visualisation techniques to create and update project dashboards, effectively communicating complex project metrics and progress to stakeholders.
  - Demonstrated adaptability and problem-solving in real-world scenarios, including navigating construction challenges and stakeholder feedback, to maintain project momentum and stakeholder confidence.
- 

## CORE PROFESSIONAL EXPERIENCE

**Project Coordinator (PMO Lead)** | Kettidam Constructions | Kerala, India

March 2023 – Present (*Recruited as Remote PMO Lead to architect digital governance frameworks during UK MSc studies*)

- Championed the multi-year transition from manual tracking to a centralised PMO framework, standardising project governance and communication protocols for distributed technical teams.

- Architected sophisticated Power BI "Data Stories" for real-time tracking of procurement lifecycles, improving reporting transparency and administrative efficiency by 30%.
- Managed budget tracking and resource allocation for multiple concurrent workstreams, utilising Earned Value Management (EVM) to report on cost-performance and prevent budget overruns.
- Integrated structured PRINCE2 governance into construction design lifecycles to provide internal stakeholders and clients with predictable budgets ( $\pm 5\%$  variance) and clear delivery deadlines.
- Developed dynamic RAID logs utilising predictive logic to identify resource bottlenecks and schedule slippages 4 weeks in advance, ensuring 100% on-time milestone delivery.

### **Digital Marketing Specialist** | Naveena Zeal Technologies | Kerala, India

October 2020 – December 2022

- Spearheaded the launch of targeted campaigns across Meta, Amazon, and YouTube, securing new international partnerships and expanding market reach.
- Owned the end-to-end strategy for the technical YouTube channel; created product walkthroughs that achieved full channel monetisation and high engagement.
- Delivered Automation & Commercial Impact by leveraging web analytics to identify high-volume trends and collaborating with R&D to launch an "economic" product line that captured a 15% increase in market share.
- Executed Process Mapping to architect HubSpot CRM frameworks, automating lead tracking and project lifecycle reporting, delivering a 20% boost in workflow efficiency.

### **Production Supervisor** | Cochin Shipyard Ltd | Kerala, India

August 2018 – August 2020

- Applied Operational Excellence & Lean methodologies to lead activities that optimised resource management in heavy-industrial vessel construction for projects valued at over ₹ 100 Crores.
- Performed Waste Reduction & VSM through comprehensive value chain analysis to restructure production workflows, resulting in a 15% reduction in operational waste and a 95% on-time delivery rate.
- Championed Quality & Safety Governance by maintaining 100% audit-ready records in compliance with ISO 9001/14001 standards, establishing a long-term legacy of safety and quality culture

---

## **ADDITIONAL UK EXPERIENCE & COMMUNITY ENGAGEMENT**

### **Corporate Risk & Site Compliance Associate** | MITIE Group Plc | Chelmsford, UK

December 2023 – October 2025

- Managed site integrity and enforced strict adherence to safety protocols for an FTSE 250 firm, maintaining a 100% zero-harm record.
- Collaborated with cross-functional maintenance and H&S teams to resolve incidents within tight SLAs while concurrently managing high-distinction postgraduate research.

### **Night Marshalls Volunteer** | Regency Security | Chelmsford, UK

Dec 2024 – Present (Weekends Only)

- Collaborate with Council teams and Police to ensure public welfare, sharpening skills in safeguarding and real-time incident reporting within a public sector framework.

---

## **CERTIFICATIONS**

- PRINCE2 7 Foundation Certified 2025 (Credential ID: GR466051217JA)
- Scrum Fundamentals Certified 2025 (ID: 1134032)
- Product Management First Steps (LinkedIn)
- PRINCE2 7 Practitioner (Ongoing)
